

Scholarship Application Instructions for Academic Year 2018-2019

HISTORY

Before there was Managed Care, and before there was the Affordable Care Act, there was a LPN named Janie B. Geer who was small in stature but had a bed-side manner that extended beyond the walls of a clinic. More than 45 years ago, she spearheaded the effort to bring accessible and affordable healthcare to the residents of Northwest Baltimore. In doing so, she opened her heart and the doors of a medical clinic within the New Elizabeth Church's basement with the sole purpose of providing healthcare to those in need.

Because of this commitment, a health organization was founded by the name of Park West Health System (PWHS). Today, Park West Health System is a Federally Qualified Health Center (FQHC) that provides health, dental and wellness services to all, keeping to Mrs. Geer's legacy of unconditionally serving those in need. This scholarship fund was created in her memory.

PURPOSE

The Janie B. Geer Nursing Scholarship Fund was established in 2015. The mission of the fund is to provide financial assistance to individuals enrolled in accredited schools of nursing who have an interest in community health nursing.
